Title: Partial Renovation at USGS Fish Health Laboratory
Location: 11649 Leetown Road, Leetown, WV 25430
Start: July 14, 2020
Completion: August 21, 2020
Cost at Award: \$162,858.45
Cost at Completion: \$163,149.84
Prime Contractor: Taggart Brown & Associates, Inc.
Subcontractor(s): Eastern Branch Demolition

Taggart Brown & Associates was awarded a contract to prepare the USGS’s Fish Health Laboratory for new lab equipment and workspaces. Our team removed all existing equipment, countertops, and terminated all utilities serving the lab. In preparation of the new buildout, our team painted the lab, installed epoxy flooring, and replaced the ceiling with lab-grade tiles. The building remained occupied during construction.
